

The Massachusetts Department of Public Health

## MassNotify

2021-2022

ASG worked with the Massachusetts Department of Public Health (DPH) to increase the level of brand awareness and education around Massachusetts's Exposure Notification System MassNotify. ASG launched an integral campaign including a fresh identity to help reach communities with higher rates of confirmed positive cases of COVID-19 and lower vaccination rates.

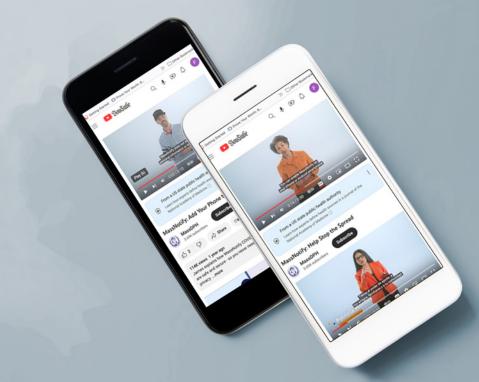

2 ...enabled MassNotify, nearly 30% of the total population
